How Claims are Handled

1. Payment of premium

If **you** make a claim and **you** have not paid all **your premium**, **we** may deduct any unpaid **premium** from any claim settlement **we** make to **you**.

2. Repairs

If **your car** is lost, stolen or damaged, **we** will decide whether to:

- pay the cost of repairing any damage to **your car**;
- pay an amount in cash equivalent to the value of any loss or damage to **your car** not exceeding the market value of **your car**;
- replace **your car** with one of a similar type and in a similar condition.

The most **we** will pay will be the **market value** of **your car** at the time of the loss, less any **excess**.

If **your car** belongs to somebody else or is the subject of a hire purchase or leasing agreement **we** may make any payment due under the **policy** to the legal owner. **Our** liability under this policy will then be complete.

If **you** cannot drive **your car** as a result of damage covered under this **policy**, we will pay the reasonable cost of:

- protecting **your car** and removing it to **our** nearest approved repairers; and
- delivering **your car** to **your** address as shown in the **schedule** after the repairs have been completed.

Repairs to **your car** undertaken by one of **our** approved repairers are guaranteed for the period that **your car** remains owned by **you**.

If **you** choose not to use **our** approved repairer but choose an alternative repairer:

- this may lead to a delay in arranging the repair of **your car**;
- **we** will not be able to provide you with a courtesy car or guarantee repairs;

3. Courtesy Car

If the loss or damage to **your car** is covered by this **policy** and **you** use the approved repairer of **our** choice, **we** will, subject to availability, provide a courtesy car while repairs to **your car** are being carried out. If the parts required to repair **your car** are not immediately available to **our** approved repairer we reserve the right to withhold the provision of a courtesy car until such time as the necessary parts are available and repair work can proceed.

Courtesy cars are usually small cars with a manual gearbox. A courtesy car is not intended to be an exact replacement for **your car**.

All courtesy cars will have comprehensive cover under the terms, conditions and endorsements of **your** existing **policy** for the period of the loan, regardless of the level of cover **you** have for **your car**.

Please note that a courtesy car cannot be provided until **your** claim has been accepted and cover has been confirmed.

Whilst **you** have the courtesy car **you** will be liable to discharge any fines for parking or driving offences, tolls and any additional costs for non-payment of these charges. **You** will need to produce an appropriate credit or debit card to the approved repairer in advance of being supplied the courtesy car to cover these costs.

You must return the courtesy car when the approved repairer or **we** ask you to do so or when this **policy** expires and **you** do not renew it.

This section does not apply where the only damage is broken glass in the windscreen or windows of **your car**. No courtesy car will be supplied in these circumstances.

4. Recovery of your car following an accident

If **your car** is not safe to drive after an accident and **we** have not contacted **you** already, please telephone us on 01 859 9700 and **we** will arrange for someone to assist **you**. If **your car** cannot be made roadworthy within a reasonable time, **we** will arrange to take it to **our** approved repairer within the specified **policy** limits.

If **you** choose not to use **our** approved repairer but choose an alternative repairer:

- this may lead to a delay in arranging the repair of **your car**;
- **we** will not be able to provide you with a courtesy car or guarantee repairs;

Our employees and contractors will use all reasonable care and skill when providing the accident recovery service. However, they can refuse to provide services (or cancel them) if, in their opinion, **your** demands are excessive, unreasonable or impractical.

5. Towage and Storage

The maximum limit we will pay for all fees connected with towage and storage of **your car** provided **you** notify **us** within 48 hours of any accident or loss will be **€300**.

If **you** notify us more than 48 hours after any accident or loss **we** will determine the amount **we** deem reasonable to pay **you** for fees accumulated.

6. Excesses that apply

If **your schedule** shows that **you** have to pay an **excess or excesses**, **you** must pay the first part of any claim up to the total amount of all the **excesses** that apply.

Guidance if you are Involved in an Accident

The information below is intended as a guide for **you** in the event that **you** are involved in an accident and need to report details of the accident to **your insurance broker** and to **us** and/or to notify details of any claim to **us**.

What to do after a car accident:

Stop your car as safely and as soon as possible. Switch off the engine and switch your hazard lights on. It's a criminal offence to leave the scene of an accident. Even the most minor car accidents can come as a shock, so try to remain calm and take a moment to compose yourself, a few deep breaths should help with this.

Check on the others at the scene:

Check if you and your passengers are okay. Take a minute to assess the situation as you might be in a shocked state. If there's another vehicle involved check everyone is okay. If anyone is in pain or injured from either vehicle call an ambulance immediately. Avoid moving anyone who may be badly injured.

Information you should get after an accident:

Take note of all the people involved in the accident. This is important in case queries or injuries are brought up at a later stage. By law you must give your name and address to everyone involved and they must share the same with you. You should also exchange the name and address of your insurance company with the other party.

Ask the other driver if they are the registered owner of the vehicle. If they are not, ask who is. The car may have been borrowed or could be a company vehicle. Take a note of the make, model and registration of the other vehicle(s) involved.

Note the detail of any injuries sustained on either side. Also make note of anyone who says they are not hurt. If there are any witnesses to the accident, take their names and addresses.

If possible, it is helpful to take photos of:

- The damage caused to each vehicle – where the damage is, how severe it is etc.
- The position of the cars on the road after the collision. This is especially important when determining who may have been responsible.

Basically, the more information you can collect, the better, as this will be helpful when the authorities are reviewing the incident. If possible, also try to note the following:

- the date,
- time,
- weather conditions,
- light conditions and

- state of the road at the incident.

Also be very careful what you say after an accident. Do not apologise to the other driver, admit responsibility, or even discuss the accident at the scene. This applies even if you think you may be at fault.

What to do in a single vehicle accident:

If you have damaged another car or someone's property, you should take photos of the damage so that any later claims can't be exaggerated. You should leave a note with your insurance and contact details somewhere that the other party can easily find them, under the windscreen wiper is a pretty handy spot. You should never assume that everything will just be alright and drive off without doing the above.

How to report a car accident:

Depending on the accident itself you may need to call the Gardaí and/or an ambulance, this can be done by dialling either 999 or 112. It's helpful to have somebody independent and qualified on the scene. The Gardaí will need to get involved if there appears to be drink or drugs involved or you suspect the other driver may have deliberately caused the accident. They will also need to be contacted if the other party refuses to share their vehicle and licence details, they try to leave the scene of the accident or if there are any injuries on either side. You are legally required to notify the Gardaí of any injuries within 24 hours of the accident. The Garda website has FAQs that deal with reporting of a crime.

How to make an insurance claim after an accident:

After you've completed the above steps and had time to catch your breath **you** need to notify **your insurance broker** and the **Insurer's** claims team of the accident. This must be done even if you're not planning to make a claim on your insurance policy or if **you** intend to pay for the damage to the other vehicle yourself as the other party might still claim later. **You** must notify **your insurance broker** and the **Insurer's** claims team of an accident within 7 days.

The **Insurer's** claims team will look for **your policy** number or **your** name, address and car registration number as well as the registrations of any other cars involved, the name and contact details of the other driver, passengers or witnesses. The **Insurer's** claims team will also need the other driver's insurance details, and any photos **you** took at the scene of the accident.

Who will deal with your claim?

AIG Europe S.A. Ireland Branch will deal with **your** claim. **You** should therefore refer all enquiries to:

24 Hour Claims Helpline: 01 859 9700

What to do after an accident?

The following actions are required by law:

1. **You** must stop - it is a serious offence not to do so.
2. **You** must give **your** name and address to anyone involved in the accident, together with details of **your car** and **your insurer**.
3. If you are unable to notify the Gardaí at the scene of the accident, **you** must report it to them as soon as possible, and in any case within 24 hours.
4. You must show **your certificate of motor insurance** to the Gardai if they need to see it.

Important:

If **your car** is not safe to drive after an accident and we have not contacted you already, please telephone the **Insurer** on 01 859 9700 and they will arrange for someone to assist you. If your car cannot be made roadworthy within a reasonable time, they will arrange to take it to their approved repairer at **their** expense.

The **Insurer's** employees and contractors will use all reasonable care and skill when providing the accident recovery service. However, they can refuse to provide services (or cancel them) if, in their opinion, your demands are excessive, unreasonable, or impractical.

How do you notify **AIG Europe S.A.** of your claim?

If **we** have not contacted **you**, first check **your schedule** to make sure you are covered for the loss or damage you are claiming for.

If you have been involved in an accident, or **your car** is damaged by fire or vandalism, **you** should contact the **Insurer**, who will advise **you** how to proceed. The telephone number is shown at the front of this policy document and above.

You will be asked to do the following:

1. Supply as much information as **you** can concerning the accident or incident. This may be by completing a **Motor accident report form** or **Motor theft report form**, whichever is appropriate.

2. Send a copy of **your** driving licence, Vehicle Registration Document, NCT Certificate, purchase receipts and spare keys if **your car** has been stolen.
3. Send any communication you receive in connection with **your** claim to:

Claims Department, AIG Europe S.A. Ireland Branch, AIG House, 30 North Wall Quay, IFSC, Dublin 1, D01 R8H7.

You must not admit liability or deal with any correspondence yourself without **our** prior consent.

4. Report any vandalism to the Gardai and obtain a crime report number.

Please note: Even if you are not covered for damage to your car, **you** must still advise the **Insurer** of the accident and **you** must confirm whether anyone else was involved in the accident who may have suffered an injury or damage to their property.

If the windscreen or windows of your car are damaged, you should:

1. Telephone the **Insurer** on 01 859 9700. **You** will need **your** current **certificate of motor insurance** and **your schedule** ready to confirm that **you** are covered for this damage.
2. **You** will be given advice on whether **your** windscreen can be repaired rather than replaced.
3. If it is not possible to repair **your** windscreen or if the damage is to the windows of **your** car, we will instead arrange for it to be replaced. You will be asked to pay the glass replacement **excess** shown on **your schedule**.

If you choose not to use our approved repairer but choose an alternative repairer:

- This may lead to a delay in arranging the repair of **your car**;
- **We** will not be able to provide **you** with a courtesy car or guarantee repairs;
